### **Sports Premium review for academic year 2019 / 2020**

### **Sports Premium proposed expenditure for academic year 2021 / 2022**

Maintained schools must publish information about their use of the premium on their website by the end of the summer term or 31 July at the latest. Schools must publish:

- The amount of premium received
- A full breakdown of how it has been spent (or will be spent)
- What impact the school has seen on pupils' PE and sport participation and attainment
- How the improvements will be sustainable in the future
- What percentage of pupils within their year 6 cohort for academic year 2020 to 2021 can do each of the following:
  - swim competently, confidently and proficiently over a distance of at least 25 metres
  - use a range of strokes effectively
  - perform safe self-rescue in different water-based situations

This may not be achievable in a year when we have been in lockdown and there is no planned swimming this year, so far.

#### **What is PE Sport Funding?**

The Government provides additional funding for physical education (PE) and sport in schools. This funding aims to improve the quality and breadth of PE and Sport participation and achievement across the whole school. It will provide new opportunities and activities, ensuring we allow all children as many chances as possible to develop healthy lifestyle choices, have ambition to reach their potential, learn new life skills and build their teamwork and leadership skills. Through this investment, as well as an increase in active participation, we will see an enjoyment of a wider range of sport and physical education through a variety of activities and experiences.

### **What does the Sport Premium mean for Sutton on Sea CP School?**

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

At Sutton on Sea, we believe all children should take a fully active part in sports and know how this relates to a healthy lifestyle. Every child will leave our school with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Physical Education is an integral part of the curriculum and clubs at the school. Children take part in a wide range of competitions and activities through the local sports partnerships.

School Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

<b>Key achievements to date until July 2020:</b>	<b>Areas for further improvement and baseline evidence of need:</b>
<ul style="list-style-type: none"><li>• Successful implementation of 'The Daily Mile' across the entire school</li><li>• The use of sports coaches to deliver consistently high quality PE lessons across the school</li><li>• The use of sports coaches to provide bespoke after school clubs</li></ul>	<ul style="list-style-type: none"><li>• Supporting children to regain fitness and self-confidence as we emerge from lockdown</li><li>• Enabling children to support their mental health through sport and physical activity post lockdown</li><li>• Further refine PE Teaching and Learning with CPD for all staff</li><li>• To maintain the time needed to commit to the Daily Mile</li></ul>

<b>Meeting national curriculum requirements for swimming and water safety:</b>		
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.		No swimming was completed during the 2019/2020 academic year due to COVID-19.
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?		NA
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?		NA
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?		NA
